To enter

Please enter online by visiting the website www.themanufacturer.com/awards, or please complete the form above which should be accompanied by around 500 words explaining, with quantification wherever possible, why the entry qualifies to win the category entered, together with any other material (such as brochures, video, CD-Rom) the entrant considers to be helpful to the judging process. We will require **three** sets of all material submitted. The scoring cards which the judges will use to mark the entries can be viewed by visiting www.themanufacturer.com/awards.

Entry rules

Entries will NOT be accepted for the overall "winner of winners" The Manufacturer of the Year category, the choice of which will be made by the judges from among the category short lists. The decisions of the judges shall be final and no correspondence can be entered into concerning the results. SayOne Media reserves the right to vary the rules and conditions of The Manufacturer of the Year Awards 2009 at its sole discretion.

Judging

The Awards will be judged against submitted entries by a panel comprising senior representatives from the manufacturing industry, manufacturing orientated academia and industrial journalism. Particular attention will be paid to how

closely entries match the criteria set out in the judges scoring cards and, wherever possible, the extent to which performance/improvement can be measured. To assist you with your entry these scoring cards are available and can be downloaded from our website below.
