Rules and Conditions

The winners of The Manufacturer 2008 Awards will be announced at a black-tie gala dinner and celebration on the evening of 15th October 2008. To book your table, please go to the booking form at www.themanufacturer.com/live or contact Jane Larcombe on 01603 671318 or j.larcombe@sayonemedia.co.uk.

To enter

Please enter online by visiting the website www.themanufacturer.com/live/awards, or please complete the form above which should be accompanied by around 500 words explaining, with quantification wherever possible, why the entry qualifies to win the category entered, together with any other material (such as brochures, video, CD-Rom) the entrant considers to be helpful to the judging process. We will require 3 sets of all material submitted. The scoring cards which the judges will use to mark the entries can be viewed by visiting www.themanufacturer.com/awards.

Entry rules

Entries will be accepted from any UK-based manufacturing facility whether it be privately, publicly, domestically or internationally owned. Companies may enter as many or as few categories as are appropriate to them with each entry being accompanied by its own entry form + 2 copies (photocopied if necessary) and supporting material. A four-strong short list, from which each category winner will be chosen, will be compiled by the judges who will base their

judgements on the material submitted.

Entries will NOT be accepted for the overall "winner of winners" Manufacturer of the Year category, the choice of which will be made by the judges from among the category short lists. The decisions of the judges shall be final and no correspondence can be entered into concerning the results. Say One Media reserves the right to vary the rules and conditions of The Manufacturer Awards 2008 at its sole discretion.

Judging

The Awards will be judged against submitted entries by a panel comprising senior representatives from the manufacturing industry, manufacturing orientated academia and industrial journalism. Particular attention will be paid to how closely entries match the criteria set out in the judges scoring cards and, wherever possible, the extent to which performance/improvement can be measured. To assist you with your entry these scoring cards are available and can be downloaded from our website below.
