COMPANY PROFILE:

eBECS is a specialist in the design and delivery of solutions for manufacturing, distribution, oil & gas, general heavy industry and all aspects of service industry.

eBECS offers in-depth industry experience and detailed technical knowledge of Microsoft Dynamics enterprise resource planning (ERP), customer relationship management (CRM) and business intelligence (BI) solutions, which are implemented across a broad range of independent yet related industries and their extended supply chains.

We deliver award-winning Lean and agile Microsoft Dynamics AX and Microsoft Dynamics CRM solutions that focus purely on delivering improved business performance measured by c our clients to streamline and integrate processes, improve client relations, maximise sales, minimise waste, optimise the extended supply chain and manage demand-driven operations.

A selection of recent awards includes:

- Global ERP Reseller of the Year 2013
- Microsoft Dynamics UK Reseller of the Year in 2010, 2012 and 2013
- Microsoft Dynamics ERP, CRM and BI Gold Partner
- Microsoft Inner Circle - one of only two UK members
- AMR industry certified in Manufacturing and Professional Services
- USA and EMEA Microsoft Dynamics Implementation of the Year

eBECS' philosophy is simple: technology is about successfully connecting people, process and progress. We take the time to understand your business, your team and your supply chain and then use our industry experience and knowledge to respond with ERP, CRM and BI solutions that are tailored to your specific industry needs.

eBECS has also joined forces with Microsoft to establish the 'Lean Centre of Excellence' (www.LeanCOE.com), which serves as a collaborative facility for organisations looking to utilise the Lean capabilities within Microsoft Dynamics.

eBECS is a global company with a personal touch and we take enormous pride in our large referenceable client base. To learn more about the business benefits we have delivered by working closely with our customers, please visit the customer section www.ebecs.com/customers
