COMPANY PROFILE:

NetSuite Inc. is the industry's leading provider of cloud-based financials / Enterprise Resource Planning (ERP) and omnichannel commerce software suites. In addition to financials/ERP software suites, NetSuite offers a broad suite of applications, including accounting, Customer Relationship Management (CRM), Professional Services Automation (PSA) and ecommerce that enables companies to manage most of their core business operations in its single integrated suite. NetSuite software allows businesses to automate operations, streamline processes and access real-time business information anytime, anywhere.
